Sewer Connection and Regulations
Amendment Bylaw
No. 729, 2014

VILLAGE OF VALEMOUNT
SEWER CONNECTION AND REGULATIONS AMENDMENT BYLAW NO. 729, 2014

Being a bylaw to amend the Sewer Connection and Regulations Bylaw No. 710, 2014

WHEREAS it is deemed necessary to add a missing requirement to Section 7 of the Sewer Connection and Regulations Bylaw No. 710, 2014

NOW THEREFORE the Council of the Village of Valemount, in open meeting assembled, enacts as follows:

1. Title

- 1.1 This bylaw may be cited for all purposes as “Bylaw No. 729, 2014, Sewer Connection and Regulations Amendment Bylaw.”

2. Amendment

- 2.1 That Section 7 of the Sewer Connection and Regulations Bylaw No. 710, 2014 is hereby amended to include:

“7.12 Every newly constructed building connected to the sewer system shall include within the building or structure or in an approved location outside the building as part of the works, the installation of a standard backwater valve installed or designed to the specifications and satisfaction of the *Authorized Person*. The *Authorized Person* may dispense with the necessity of a backwater valve where they are of the opinion that the property lies at such an elevation that there would be no danger of flooding of the property as a result of a surcharge or backup of the *Sewer Main*.”

- 2.2 That Schedule A: Definitions of the Sewer Connection and Regulations Bylaw No. 710, 2014 is amended by replacing the definition of “Authorized Person” with the following:

“Authorized Person” means the Village Building Inspector or in his or her absence, the Village’s Public Works Superintendent.”
