

VILLAGE OF
VALEMOUNT

Let the mountains move you

**For Immediate Release
March 26, 2020**

The Village of Valemount has activated our Emergency Operation Center (EOC) at Level One. Activating at Level One (the lowest level of activation) facilitates the Village of Valemount in planning, monitoring and supporting our local community. Activation also opens the line of communication between our Municipal Government and Provincial Agencies and ensures that all required actions are accomplished for any established priorities, directives and timelines. If you have any questions about the EOC activation, please contact Wayne Robinson, Chief Administrative Officer for the Village of Valemount by phone at 250-566-4435.
