Introducing

Voyent *Alert!*

The Village of Valemount is pleased to announce it has chosen the Voyent Alert! Notification Service to keep you informed by delivering critical incident notifications during times of crisis.

Registration for the service will be available Friday, June 7th at the Centennial Park Safety 1st Information tables from 5 pm until 8 pm, and Saturday, June 8th at the Community Hall from 12 noon until 4 pm.

It's a Toilet Not A Trash Can!

It may be tempting to flush just about anything down the toilet, but doing so risks damage to septic tanks, the sewage treatment plant, and can cost you thousands in plumbing repairs.

What **NOT** to flush down the toilet:

- Feminine hygiene products
- Cooking grease/food
- Baby wipes, wet wipes, cleaning pads
- Diapers
- Dental floss
- Q-tips, cotton balls
- Paper towels/tissues

- Pills
- Cigarette butts

So what can you flush down the toilet? Toilet paper and Human waste should be the only things you flush.

Bylaw Enforcement

- The Village of Valemount would like to remind residents that the Bylaw Officer is now enforcing the Good Neighbour Bylaw. If you would like to view the bylaw please visit our website at valemount.ca.
- The Bylaw Officer has launched a new program this past month called "Caught You Being Good". If you are "caught" by the Bylaw Officer picking up after your pets, keeping your yard tidy and following our Good Neighbour Bylaw, you will receive a small reward.
- Please remember that the Bylaw Enforcement Officer is tasked with a difficult job which entails, keeping peace between residents and ensuring that Village Bylaws are being followed by all. Ultimately, the Bylaw Officer is here to help you.
