

72 Hour Emergency Kit Checklist for Pets

Owners are responsible for the care and accommodations of their pets and companion animals during emergencies. In addition to building a kit for your human family you need to have supplies and transportation ready for your animals. Having supplies and a plan will give you peace of mind, save precious time and maybe even save your pet's life.

- Food and Water for 3 days (7 days would be even better)
- ID tag and collar
- Sturdy crate and/or carrier
- Pet first aid kit
- Leash and harness
- Collapsible bowls
- Litter box and litter (for cats)
- Manual can opener
- Recent photos of your pet
- Copy of pets vaccination history
- Emergency phone numbers and addresses
